

Deferral Request

Admitted students who are unable to enroll as planned can defer their first quarter of enrollment by submitting a deferral request to the International Admissions Office.

An application can be deferred to a future quarter one time without payment of another \$50 application fee. If the application is deferred again, the \$50 application fee must be paid with each subsequent deferral request.

Note: The \$50 application fee is waived for deferrals through Fall 2021: Winter, Spring, Summer, or Fall 2021.
