

Housing Orientation

A mandatory housing orientation is held for all new residents of The Studios on Broadway shortly after moving in. The housing orientation is aimed at developing a sense of community, reviewing building rules, and learning important safety information. Important topics such as laundry, cooking, and tips for living with roommates will also be covered. This fun event is also a great opportunity to meet other residents and to get to know the staff of Community Assistants!

Detailed information about the housing orientation will be provided to residents in their housing acceptance packet.
