Drop-In Advising

International Programs offers drop-in advising in-person and virtually.

To see an advisor during in-person drop-in hours, come to our office. To see an advisor during virtual advising (marked "Online") drop-in hours, follow this link: <https://zoom.us/j/91461883932>.

Drop-in advising sessions are intended for current students. If you have not yet been admitted to Seattle Colleges, please complete this [form](#).

Students who are enrolled at multiple campuses in the same quarter should attend drop-in advising at the campus listed on their I-20 for most questions. The only exceptions are:

1. You have a question about a specific class you are taking at a different campus, or
2. You are transferring to another campus and need advice for a new program of study.

Workshops

IP offers workshops which are designed to assist students with their personal and career development. The workshops will provide information about immigration rules, education and career choices, cultural adjustment, and other issues. The format will be a combination of speakers, handouts, assessments, and discussion, with time for questions and answers.

Each of the workshops below are offered each quarter. Updates with workshop times and locations will be provided when they are available, via our Facebook page.

OPT Workshop: This workshop is designed for students who are nearing the completion of their program and would like to learn more about OPT and its application process.
