Introduction

Welcome! We're here to help students make the most of their experience, bringing together the people, places and programs that support their growth, wellness and success both within and outside of the classroom. We offer a variety of student-focused activities and programs to enhance growth in leadership, service opportunities, building network of peers and professionals.

Meet with an advisor

The International Advising Team offers both academic and immigration advising services designed help you reach your educational goals.

Drop-In Advising

- Offered Monday & Tuesday 9 am – 3 pm, and Wednesday & Thursday 12 pm – 4 pm
- No appointment needed – just come to our office and we will help you!
- Flexible, brief meeting with an IP advisor to help with registration and answering questions about your I-20, F-1 visa, or anything else!
- Ideal for returning students, who have a question about prerequisites, needs to change a class, etc.
- Students must not come to see an advisor during their class time.

Appointments

Have a longer question? Appointment options are provided. See the information below for more information.

- Offered Monday-Friday
- Designed for longer questions
- 30 - 60 minutes in length
- A 30-minute appointment is ideal for new students registering, updating an existing educational plan, and for students who want to talk about transfer/program options. A 60-minute appointment is ideal for students who want to create a new educational plan.
- May be booked in advance by calling 206.934.5360, stopping by International Programs in WWB 121, or [booking online](#).

Workshops

The IP Office offers workshops which are designed to assist students with their personal and career development. The workshops will provide information about immigration rules, education and career choices, cultural adjustment and other issues. The format will be a combination of speakers, handouts, assessments and discussion, with time for questions and answers.

Each of the workshops below are offered each quarter. Updates with workshop times and locations will be provided when they are available, via our Facebook page.

Employment Workshops

Come and learn about the different employment options for international students, including on-campus jobs and Optional Practical Training (OPT).

On-Campus Employment Workshop

This workshop is designed for students who wish to work on campus. We will discuss on-campus employment regulations, eligibility, and social security number application procedures.

OPT Workshop

This workshop is designed for students who are nearing the completion of their program and would like to learn more about what OPT is and application process.

Education Planning Workshop

Students enrolled in ISD200 Orientation to College Success are required to attend this workshop based on your degree/major to create an educational plan with their advisor.
