Studios Application Process

Applying to live in The Studios on Broadway is free and easy. To be eligible for placement in The Studios on Broadway, applicants must:

- Be enrolled with Seattle Colleges
- Be at least 17 years of age by the move-in date
- Already have a valid F-1 student visa (international students only)

Please also note that due to the nature of the facility, all roommates must be of the same sex. We are unable to offer housing to children or male/female couples.

Step-by-Step Application Process

- Complete your **campus housing application** online
- The International Student Housing Office will email you a placement acceptance form within five business days of receiving your campus housing application. The placement form will include your room number and number of roommates, total payment due, and terms of acceptance of the placement. The email will also detail how and where to make your payment.
- Within 10 business days of receiving the placement acceptance form:
  - Sign the form and return it to the International Housing Office
  - Make your payment as outlined in the placement acceptance form

If you do not submit the form and make payment as noted in the placement form, you will lose your place in The Studios, and you will need to apply again. You are encouraged to read and understand our **refund policies** fully before accepting your placement and submitting payment.

If you decide not to accept the placement, please inform the International Housing Office so they can update their records.

- For students who are 17 at the time of move-in: submit an **Emergency Medical Authorization Form**. This form gives Seattle Colleges staff the authority to make decisions for an underage student in the case of a medical emergency. Emergency situations include cases of serious injury or where a student's life may be in danger. They do not include non-emergency illnesses or medical procedures, such as a cold or mild illness.
- Receive a confirmation email and additional pre-arrival information from the International Student Housing Office once your payment is received.
- Read our pre-arrival information packet to prepare yourself to live in The Studios on Broadway.

When to Apply

If interested, we encourage you to submit your application as early as possible to secure an apartment in The Studios on Broadway, and to have the best chance of having your top preferences met. More information about our placement process can be found **here**.

Applications are processed in the order they are received until all units in The Studios on Broadway are full. Students who apply after The Studios are full are put on a waitlist and are notified when spaces open. The housing office may also be able to offer waitlisted students the opportunity for placement in other apartment buildings partnering with Seattle Colleges. Waitlisted students will be informed if this option is available.
